

Dear parent

Greetings to you!

The year 2020-21 has been a tumultuous year for all of us and especially for our young learners; our children who were forced to stay back at home and study online. I am sure we would all agree that teaching-learning best takes place when the teacher and the student interface. The little respite that we got when the lockdown was lifted; our teachers at NEC, Bangalore scurried around and ensured that the classes were conducted and doubts cleared. As you are well aware, at NEC Bangalore the child is focus for us and we spare no efforts to ensure that the children are afforded the best. The safety of our children has been foremost for us and we are happy to share that we completed all the practical exams of Grade XII as well without any challenge and expect by far the best results.

In the last three years that we have been working with the plus 2 students our results have been remarkably good and it is with pride that I share that we have had maximum distinctions and first class follows suit. We have not gone beyond the first class and this shows the commitment, dedication and teaching competency of our Navkis staff. As a leader, I feel proud of the team and when I see them outperform the rest and score high percentile in JEE, NATA and other competitive exams; my joy knows no bounds.

As has been customary, admission to Grade XI is always on preference to our own students who graduate from Navkis and only then do we leave it open to outside parents and students. For those parents who would like to know more about our plus 2 programmes, please do feel free to contact me or visit our website: <https://navkisedu.com/home>

Admissions are now open for the following programmes offered at Navkis Senior Secondary:

Science Streams –

Group 1 - Physics, Chemistry, Mathematics & Biology (PCMB).

Group 2 - Physics, Chemistry, Biology & Entrepreneurship.

Group 3 - Physics, Chemistry, Mathematics & Computer Science (PCMCs).

Commerce streams –

Group 1 – Accountancy, Economics, Business Studies, and Mathematics.

Group 2 – Accountancy, Economics, Business Studies, and Entrepreneurship.

For students desirous to take up competitive exam coaching, our faculty and visiting experts would be conducting the required coaching, details of which will be shared during the admission process. We look forward to hearing from you and would be happy to have your child safe and secure back with us at NEC, Bangalore as we nurture him/her further.

Best regards,

Ms. Lalitha Murthi

Principal
